Good morning again Yves,

I have looked at your site - unfortunatley my wife had not read your email properly and hadn't realised that the site is already in existence. I have looked at the site and am happy with it and that you have added our site info (www.timthompsonmarineart.com) to the top of the list. However, there are a few of the images on your page that I no longer have copyright on. Are you by any chance interested in a commission or buying in some fine art prints at a good price? You will see on Quidley & Company, Russell Jinishian and Sheldon Fine Art sites some of my more recent works.

Best regards
Tim

Sorry for the previous mail sent too hurriedly with a wrong name

Hello Tim,

My name is Yves Gary. I am french, 69 years old and the creator and sole editor of the site AMERICA-SCOOP.COM, the only very complete site about the history of America's Cup. I wrote an article about you:

Thompson, Tim (1951 -) UK (88)

With a lot of delay, I ask you permission to use the pictures of your paintings relating to the America's Cup. In case of refusal or non-response, I will be obliged to delete the article and photos about you.

Best Regards
Yves GARY
AMERICA-SCOOP.COM

PS: I am interested in any other images or details about your paintings.
