Good morning Yves,
What a remarkable website and please take this email as permission to utilise images of my paintings. I feel my contribution to Americas Cup art has been limited compared to the many other British & American artists you've featured.

Are you able to update the narrative section with a few things as follows?

- * I am an exhibiting member with the Australian Society of Marine Artists (ASMA) and the New Zealand Academy of Fine Art (NZAFSA).
- * I live in Nelson New Zealand. Current galleries offering my artwork are; are Queenstown Gallery of Fine Art...Art of this World Auckland.....Matakana Gallery (as already mentioned) and the Scrimshaw Gallery in Sausalito.
- * website is www.pauldeaconnauticalart.co.nz
- * www.facebook.com/pauldeaconart

I may send you a couple more recent photographs to include.
Looking forward to hearing from you.
Paul

Hello Paul,

My name is Yves Gary. I am french, 69 years old and the creator and sole editor of the site AMERICA-SCOOP.COM, the only very complete site about the history of America's Cup. I wrote an article about you:

Deacon, Paul (1953-) UK (5).

With a lot of delay, I ask you permission to use the pictures of your paintings relating to the America's Cup.
In case of refusal or non-response, I will be obliged to delete the article and photos about you.

Best Regards
Yves GARY
AMERICA-SCOOP.COM

PS: I am interested in any other images or details about your paintings.
